Grant No.: *SU-G1006*  
Contract No.: *GRT/ER-20389-SU*  
Deadline: *[N/A]*

The Ministry of Finance and Planning has received financing in the amount of Euro 2,670,000.00 equivalent to US \$3,129,032.00 from the European Union (EU), and it intends to apply part of the proceeds to payments for goods, works, related services and consulting services to be procured under the project *Climate Change Adaptation Investments for Paramaribo's Resilience (Complimentary financing to PURP I)*. Bidding will be governed by the Inter-American Development Bank's eligibility rules and procedures.

The main objectives of this project are to contribute to the socio-economic revitalization of Paramaribo's historical center. The specific objectives are: (i) restore to value cultural heritage through the attraction of social and commercial activities; (ii) strengthen the institutional framework for managing its sustainable development; and (iii) increase climate adaptation capacity.

The project consists of four main components. Component 1 finances the design and implementation of strategic urban interventions intended to revert the physical deterioration in the historic center to trigger a sustainable revitalization process. Component 2 includes Financial Instruments which supports the design of a financial scheme to incentivize the participation of the private sector in the renovation of buildings for commercial and residential use. Component 3 finances the strengthening of the Directorate Culture at the Ministry of Education, Science and Culture (MESC), and the development of key planning instruments to guide the historic city center revitalization process in a suitable manner. Component 4 will support the preparation and execution of adaptation measures in Paramaribo WHS, mainly gray and green infrastructure required to increase heritage, public space, and urban mobility resilience to flooding events estimated to increment in magnitude frequency. Activities to strengthen institutional adaptation knowledge and capacities will be supported.
